

PARTHA PRATIM DEY
Department of Mathematics & Physics
North South University
Dhaka, Bangladesh

ACADEMIC QUALIFICATIONS:

1. Ph.D. in Mathematics (1994) , Bowling Green State University, Ohio, USA.
2. M.A. in Mathematical Sciences (1989), University of Montana, Missoula, Montana, USA.
3. Certificate on Computer Aided Macro-Modeling (1985), Bangladesh University of Engineering and Technology, Dhaka, Bangladesh.
4. Certificate of Fourth Foundation Training Program (1984), Civil Officer's Training Academy, Dhaka, Bangladesh.
5. Certificate on Economics and Development Planning (1983), Bangladesh Academy for Planning and Development, Dhaka, Bangladesh
6. M.S. in Physics and Mathematics (1981), Lenin State University, Minsk, USSR (former).

PROFESSIONAL EXPERIENCES:

1. Research Officer (1982-1987), Planning Commission, Dhaka, Bangladesh.
2. Teaching Assistant (1987-1989), University of Montana, Montana, USA.
3. Teaching Fellow (1989-1994), Bowling Green State University, Ohio, USA.
4. Instructor (1994-96), Bowling Green State University, Ohio, USA.
5. Teacher (1997-1998), Scholastica, Dhaka, Bangladesh.
6. Assistant Professor (1998-2003), Department of Computer Science, North South University, Dhaka, Bangladesh.
7. Associate Professor (2003-2008), Department of Computer Science, North South University, Dhaka, Bangladesh.
8. Professor (2008-2014), Department of Electrical Engineering & Computer Science, North South University, Dhaka, Bangladesh.
9. Professor(2014-till date), Department of Mathematics & Physics, North South University, Dhaka , Bangladesh

AWARDS:

1. Bangladesh Soviet Scholarship (1976-1981), Lenin State University, Minsk, USSR.
2. UNDP Scholarship for a course on Computer Aided Macro-Modeling (1984-1985), offered at the Bangladesh University of Engineering and Technology, Dhaka, Bangladesh.
3. Distinction in Analysis (1988) at the MA Comprehensive Exam at University of Montana, Montana, USA.
4. Non-Service Research Fellowship (1993) at the Bowling Green State University, Ohio, USA.
5. United Nations University Fellowship (October 15-November 9, 2001) for An Orientation Course on Theoretical Aspects of Computer Science (for College/University Teachers from South Asia), offered at The Institute of Mathematical Sciences, Chennai, India.
6. IIT-ISI (Indian Institute of Technology – Indian Statistical Institute) Fellowship (December 2-21, 2002) for Instructional Workshop & International Conference on Geometric Group Theory, offered at Indian Institute of Technology, Guwahati, India.

SELECTED CONFERENCE PROCEEDINGS PUBLICATIONS:

1. P. Dey. "Centralizers of the Codes of an Affine Plane", Proceedings of International Conference on Computer and Information Technology, Dhaka (2000).
2. P. Dey. "Code of an Affine Plane", Proceedings of International Conference on Computer and

- Information Technology, Dhaka (2000).
3. P.Dey. and M. Jamil., “Square Root of a Prime: A Monte Carlo Approximation”, Proceedings of International Conference on Applied Mathematics & Mathematical Physics, ICAMMP 2002, Sylhet.
 4. P. Dey. and M. A. Amin. “ The (7,4,1)-Hamming Code and A Non Euclidean Geometry”, Proceedings of the International Conference on Information and Knowledge Engineering, Vol II, IKE’03, Las Vegas (2003).
 5. M. Asifuzzaman and P. Dey. “ The Hadamard Connection of Projective Planes”, Proceedings of Int. Conf. Appl. Math . & Math. Phy.-2005, Jan 4-7, SUST, Sylhet (2005)
 6. Mahbubur Rahman Haque and Partha Pratim Dey, “ A Note on Holomorphism in Certain Algebras”, Proceedings of Int. Conf. Appl. Math . & Math. Phy.-2005”, Jan 4-7, SUST, Sylhet (2005)
 7. P.Dey and Manzia Jamil, “ A Note on the Square Roots of -1 in $M_2(R)$ ”, Proceedings of 5th Annual Hawaii International Conference on Statistics, Mathematics and Related Fields (2006).
 8. P.Dey and Manzia Jamil, “On the Codes of a Finite Plane of 3rd Order”, Proceedings of 5th Annual Hawaii International Conference on Statistics, Mathematics and Related Fields (2006)
 9. P. Dey, A. R. Chowdhury, “On Nonexistence of a Two Error Correcting [7,3] Ternary Linear Code”, Proceedings of the International Conference on Statistical Sciences (2008).
 10. P. Dey, M. Asifuzzaman, “A Decomposition of the Code of Configuration of Cyclic Group of Order Four”, Proceedings of the International Conference on Statistical Sciences (2008).
 11. P. Dey, A. R. Chowdhury, “An Approximation of Square Roots of Positive Number”, Proceedings of the International Conference on Statistical Sciences (2008).
 12. P. Dey, M. Mia, “A Decomposition Theorem”, Proceedings of the International Conference on Computational Chemistry (2008), Canary Islands, Spain
 13. P. Dey, A. R. Chowdhury, “Further Results on the n^{th} Roots of a Positive Number”, Proceedings of the 5th Asian Mathematical Conference, Malaysia (2009).
 14. Hasina Akter, P.Dey, M. Asifuzzaman, “Error-Correcting [5,2] Codes over GF(5)”, accepted for publication in the Proceedings of ICNST’18 (2018)

SELECTED JOURNAL PUBLICATIONS:

1. P. Dey and J.L. Hayden, “On Symmetric Incidence Matrices of Projective Planes”, Designs, Codes and Cryptography, Vol 6, Kluwer, Boston (1995).
2. P. Dey., “Multiplier Theorem Revisited”, Nepali Mathematical Sciences Report. 20, no 1-2,1-7, Nepal (2002).
