

Probation Students Advising – Fall 2022

All Probation Students

1. All probation students must complete their pre-advising irrespective of their probation number
2. All probation students will be able to do advising conditionally from phase 1

Probation 1 to 4 Students

1. These students will get auto access to advising starting from **Sep 17th, 2022**
2. These students do not need to bring guardian or give undertaking in this semester

Probation 5 and Above

1. The advising of these students is conditional.
2. They can expect a general SMS message right after final grade submission.
3. These students must contact the respective department as soon as the grade submission is over to ascertain their advising eligibility.
4. These students can advise in phase 1 only if their approval procedure is complete before their advising starts as per the schedule. They are free to advise in Phase 2 and in Phase 3 if the approval is complete.
