

Probation Students Advising – Summer 2022

All Probation Students

1. All probation students must complete their pre-advising irrespective of their probation number
2. All probation students will be able to do advising conditionally from phase 1

Probation 1 to 4 Students

1. These students will get auto access to advising in Phase 1 starting from **May 21st, 2022**
2. These students do not need to bring guardian or give undertaking in this semester

Probation 5 and Above

1. The advising of these students is conditional.
2. They can expect a general SMS message after final grade submission (around May 18)
3. The department will contact these students separately and will ascertain their eligibility.
4. These students can advise in phase 1 only if their approval procedure is complete before their advising schedule. They are free to advise in Phase 2 and in Phase 3 if the approval is complete.
