

*** Notice of Advising Fall 2014 for all departments**

*Please check the www.northsouth.edu frequently for updates or check with respective Department office.

*All payments must be cleared for smooth advising. **Please check with Registrar's office for clearance well ahead of ensuing advising.**

* **Late Registration, pending fees, special cases for which the Status is "Not Regular" – please note that for these students time slots for advising will not be assigned. If and after Registrar's Office clears the bar and changes the status to "Regular" – these students will be assigned time slot on the Next Advising Day only and a faculty will be able to advise them only and self advising will not be possible. This is to keep order of time slots assigned for students who were "Regular" at the time of assignment of time slots.**

*All Students must have their User Name and Password for advising. Password will not be given during advising.

*Please collect your password from **Mr. Mujibar / Mr. Monir / Mr. Nain at LIB Level 6 (Resource / Print Zone)** ISD NSU ahead of commencement of advising.

*Students must have their ID card during advising period. No ID No Entry.

*Students must report at entry gate 05 minutes before their advising starts.

* Students are requested to check with respective Departments for details of Advising. The respective Department will take decision for the time schedule of advising.

*Probation Students must go to their respective department for advising.

* Please note that the schedule is built around the students status as of 1300hrs 01/09/2014. **Late registration students will not be able to do self advising upon change of status by Registrars Office.** They will be assigned a time for faculty advising on the next advising day.

*** Please check NSU Website frequently for latest updates.**
