Submission of Advising Sheet

This is hereby notified to all financial aid recipients to submit their “Advising Sheet” of Fall 2014 semester immediately after their advising. Deadline of submission is 15th September 2014. Discontinued recipients (w.e.f. Fall’14) are also advised to contact Financial Aid Office before registration. Aid recipients are also advised to keep a photocopy of the advising sheet with them.

This would ease the registration process of the aid recipients without late registration fee as per NSU academic calendar of Fall 2014 semester.

(Please note that Financial Aid Office does not deal with any cash transactions or any means of payments. You are requested to contact the Finance & Accounts department in that regard.)

Thanking you.
