

USAID Fellowships for NSU Students

With the objective of creating expertise in the field of Public Health, a memorandum of understanding (MoU) between the Department of Public Health of North South University (NSU) and USAID has been signed on Friday, 13th December, 2013 at the NSU campus.

As an initial initiative of the signed MoU agreement, nine students from the Department of Public Health of North South University have been awarded USAID fellowship.

Prof. Dr. Amin U. Sarkar, Vice Chancellor, North South University attended the program as the chief

guest and Prof. Dr. G U Ahsan, Chairman, Department of Public Health chaired the session. Prof. Dr. ANM Meshquat Uddin, Pro Vice Chancellor, Prof. Dr. Sirajul Islam Khan, Dean, School of Life Sciences, NSU, Ms. Khadiza Lina, Program Coordinator, USAID, Mr. Saidul Islam, Assistant Secretary, Ministry of Health and Family Welfare and Prof. Dr. Abdul Wahed were also present as special guest in the program.

Speakers of the program thanked USAID for assisting NSU to create expertise in the field of Public Health.
