B. Graduate Make-up Schedule

Graduate class make-up schedule will be arranged by respective Department/Program. In case of lecture time over lap for faculty members with the undergraduate class chair/program directors may request the faculty members to schedule those classes during other days.

C. Notes:

1. There will be no break between classes. We follow the same model during Ramadan.
2. Existing 3 hours per week class contact hours will be reduced to 2 hours to accommodate 6 slots per day. Remaining 1 hour will be made up during the normal time by adding one more extra class/review session.
3. Existing 6 classes per day will be equally spaced between 8:00 am to 8:00 pm or 9:00 pm.

By order of the Authority,

Registrar
