

## Seminar on Higher Education Opportunities in USA

Career and Placement Center (CPC) under the Office of External Affairs (OEA), hosted a seminar named 'Higher Education Opportunities in USA' conducted by Education USA, the American Center on June 26, 2016 at North South University. Mr. A Q M Mushfiq Hassan, Outreach Coordinator of EducationUSA, The American Center attended the seminar as key-note speaker. Mr. Faisal Wali, Director, Career and Placement Center (CPC), NSU, Ms. Shahnaz Islam, Senior Job Counselor, Career & Placement Center, NSU, and the graduating students of different schools of NSU were also present in the audience.

The purpose of this seminar was to offer comprehensive genuine pieces of information regarding higher education opportunities in USA universities in terms of application technique, admission criteria's, discussion on getting students visa relevant aspects and many other prospects. At the end of the seminar Speaker has made the floor open for quesppptions answer for the audience after his presentation on the topic.

EducationUSA, The American Center in Dhaka offers a variety of services for prospective students who wish to pursue higher education in the U.S. EducationUSA at The American Center. Since the center noticed that a good number of students appearing in their weekly seminar are from NSU, it encouraged them to come at NSU and meet our students at campus. Hence it is worth mentioning that CPC facilitates NSU students regarding study abroad opportunities by offering applicable information.
