

Seminar on Introduction to the CFA Program

Career & Placement Center (CPC) under the Office of External Affairs (OEA), Department of Accounting & Finance along with Finance Club, NSU hosted a seminar named “Introduction to the CFA Program” on June 1, 2016 at North South University. Mr. Neil Govier, Head of Education, Asia Pacific CFA Institute, Dr. Mujibul Haque, Chair, Department of Accounting & Finance, Mr. Shahidul Islam, CEO, VIPB Asset Management Company Ltd, Vice President , CFA Society Bangladesh, Khandakar Safwan Saad, Deputy Head of Research, BRAC EPL Stock Brokerage Ltd, Faisal Wali, Director, Career & Placement Center (CPC), NSU and students of accounting and finance, SBE, NSU attended the seminar.

CFA Society Bangladesh, through its University Outreach Program, graced the students of NSU with an informative session on the Chartered Financial Analyst (CFA) program, its prospects and opportunities in Bangladesh and all over the world. The purpose of the event was to help students of NSU learn about the career and development opportunities that CFA program provides to its charter holders.

The keynote speaker of the seminar Mr. Neil Govier shared the learning process of CFA program with the aspirant graduating Business students of NSU on account of

winning a CFA degree by competing with worldwide applicants. He also said that this certification validates that you are well equipped with hands-on knowledge in the investment industry. In order to build remarkable reputation among your clients, employers, you have to commit to ethical behavior and proficiency at work. Therefore, being a CFA charter will uplift your credibility in the eyes of clients and colleagues.

Khandakar Safwan Saad CFA, Deputy Head of Research, BRAC EPL Stock Brokerage Ltd, also alumni of NSU quoted that “The advantages of having CFA degree is global recognition irrespective of your background.”
