

Major Map: BBA in Entrepreneurship (ETR)

1. Humanities course.
2. Admission Test results would determine whether a student would be required to complete MAT 112. If a student would be required to complete MAT 112, it would not count towards graduation, and must complete MAT 112 prior to attempting ECO 134.
3. Humanities course.
4. Social Science Course: Student must complete at least one course in Political Science/Government (e.g., POL 101, POL 104).
5. Student must complete 3 Science courses, each with a laboratory component. Each Science course should be worth 4 credit hours.
6. Social Science Course: Student must complete at least one course in Sociology or Geography or Anthropology (e.g., SOC 101)
7. Select two of the following courses: ETR 330, ETR 380, ETR 490, approved major courses under Marketing, Finance, HRM, or MIS.
