REGISTRAR'S OFFICE

## NOTICE

This is for the information of all students that as per our records many students did not fill up their current mailing address properly and many of them changed their current address. As a result, we are facing problem to correspond with you. So, the concerned students are advised to verify and update their mailing address by **06 March 2017** on their student profile of our **student web portal (RDS)**. From now onward whenever there is any change in their current address, they must update their profile accordingly. Failure of which may lead to take action as per NSU Policy.
