Message from the Vice-Chancellor

Honorable Chief Guest Chair of the Board of Trustees, Mr. Azim Uddin Ahmed, Honorable Special Guest, member of the NSU Board of Trustees Mr. M.A. Kashem, Honorable Special Guest, member of the NSU Board of Trustees Mr. Benajir Ahmed, Guest speaker Dr. Fariah Mahzabeen, Pro-Vice-Chancellor, Treasurer, Deans, Directors, academic faculty members and colleagues from administration, and most importantly, our youngest members of the NSU family, the newly enrolled students of Spring 2022, I welcome you all to our Orientation Program for Spring 2022.

We are conducting the orientation program online for the sixth consecutive semester. The world has slowed down and still trying to adjust with the new normal resorting to conducting everything virtually due to the COVID-19 pandemic, but we, at NSU, are striving our best so that you can continue your journey - uninterrupted.

We are currently in a predicament that we always feared but never wanted to face. The number of covid infection cases was going down for the last few months, and we were gradually moving toward reinstating the on-campus classes. But the recent surge of new covid variant Omicron has forced us to push back the plan and now we are opting for hybrid classes so that it can be changed to fully offline/online mode depending on the prevailing Covid-19 situation.

First of all, let me congratulate the students on their excellent results in HSC or equivalent, high enough to qualify for admission into NSU. I also congratulate the new entrants to our graduate programs. I welcome you all to North South University, the first and the best Private University in Bangladesh. Congratulations to the parents as well on their wise decision to send their children to NSU, a center of excellence in higher education.

To reassure the Spring 2022 intake and the parents, I mention some facts about NSU. We are the first private university in the country. In the QS Asia University Rankings 2022, once again we emerged as the #1 Private University in Bangladesh. Currently, we are at 215 but we have the goal to be in the top 100 in Asia.

We have the best qualified and most caring academic faculties in this country, Department by Department, School by School. We have the safest campus in the country. Because of coronavirus, we follow all the necessary health and safety measures to keep our campus disinfected all the time and follow proper health protocols to keep everyone safe.

We have the most modern library, classroom facilities, and a very modern gymnasium. We also have indoor sports facilities and a playfield. We have the largest campus of all the private universities in Bangladesh and are moving to an even larger one in the future. We are the best private university in Bangladesh for research, teaching, learning, and graduate employment.

NSU has the highest-ranked business school in the country. Our computer science and engineering also ranked very highly by QS world. Our four Schools have received multi-million dollars in funding commitments from national and international sources over the last twelve months. We have joint research arrangements with NASA, the University of Maryland, Johns Hopkins in the US, Cambridge University in the UK, and many Australian Universities including, Macquarie, and Monash.
We have student and staff exchange agreements with a large number of universities in North America, Australia, and Europe. We have set up an IELTS Center in partnership with the British Council. We have established a Modern Pathology Laboratory adjacent to NSU Medical Center to perform common pathological tests including biochemical tests, microbiological tests, serological tests, and other routine examinations for the students, teacher, and staff. We are effectively engaged with the Govt., industry, and professions. Our programs are accredited internationally. We have recently added another 45,000 square feet of office rooms and student classrooms.

We have built a Bangabandhu and Liberation War Corner in our Library. Honorable Minister for Science and Technology Architect Yeafesh Osman did the honor of inaugurating the corner. We have also published a high-quality book on Bangabandhu in this Bangabandhu birth centenary year.

We have twenty-one highly active student clubs providing ample opportunity to develop leadership qualities among students as they pursue their hobbies and interests. Our clubs have been regularly winning national and international competitions. We do extremely well in inter-university competitions in sports, debate, and innovation at the national level.

Spring 2022 is extra special to us as we take another step ahead towards quality education. To improve online education, we have recently acquired CANVAS Learning Management System (LMS) and we have been using this platform to conduct our academic tasks. From the last semester, the educators have been using this LMS to supplement their classes with quizzes, modules, and courses, and going on forward we will be embedding this in our teaching endeavors to ensure quality education for our students. To our knowledge, NSU is the first university in South Asia to adopt CANVAS LMS.

North South University played a big role in fighting COVID-19. We helped the relevant government agencies with volunteer doctors and student workers. We distributed relief material through various government agencies such as Bangladesh Army and Police. NSU staff donated two days of their salary amounting to 50 lacs taka to the Honorable Prime Minister’s Relief and Welfare Fund. We have been consistently giving a special COVID waiver of 20% to our students.

We helped the Directorate General of Health Services with 5 volunteer students. We helped IEDCR information services- helping with data processing and analysis with 2 volunteers. We gave Covid waiver to all the students from Summer 2020 to fall 2021. We will continue the waiver for spring 2022 semester.

We assure the parents, we will do our very best to develop your most valuable asset– your children, into ethical professionals with a global outlook. NSU is a non-political, non-racial, entirely secular institution. We strongly believe in diversity and tolerance. We have students from all ethnic and religious groups; we treat them the same. In short, your children are in capable hands.

To the Spring 2022 cohort, you will have the best teachers, best facilities, best ambiance, best campus, and culture in the country. I hope you will make the best use of it all.
Welcome Note from the Registrar

Welcome to North South University, fondly known as NSU. We are pleased to see you joining our community. We have a lot to offer at the university: outstanding academics, faculty and staff whose priority is student learning and wellbeing, year-round campus programs and activities which will give you a chance to learn outside the classroom, and of course world-class logistic support needed for a well-rounded learning experience. We are large enough to offer programs catering your needs, and small enough to personally know you and care for you.

At NSU we treat you as an adult. You will be given ample freedom to make your own choices but as an adult you will be responsible for your choices. There is no easy sailing at NSU. We are committed to academic excellence and we make sure that our graduates receive the highest quality education by working hard for it. From the very first day you will be expected to keep up with your study. Every quiz, every assignment and every exam that you take will contribute towards your final grade. Your final grade will be a permanent record in your transcript and will stay with you for the rest of your life.

No, we are not as grumpy as we may sound. We have fun at NSU too. We have twenty two students clubs that contribute to extra-curricular life at NSU: Computer Club, Debating Club, Social Services Club and so on. However, everything comes after your studies. You should make the best use of the opportunities that are provided to you and best use of time as well.

“The choices we make dictate the life we lead”. You have made the right choice by selecting NSU and we hope you will be making the right choice throughout your academic years so that you can lead the life the way you deserve.

You are advised to visit NSU website regularly to keep yourself up to date about NSU activities.

Office of Student Affairs (henceforth OSA) deals with all non-academic and non-disciplinary matters of students' life at NSU. We have four schools and sixteen Departments providing undergraduate and Master's degrees in light of the American Curriculum. From its inception in 1992, the university emphasized the extra-curricular and co-curricular activities to fulfill our programs' general education requirements. The university has created unique opportunities for developing leadership skills without being a direct member of any political party at the national level but in the liberation war spirit. This kind of training is essential to face a challenging environment in life. OSA is run by six officials led by the Director of Student Affairs, Professor Dr. Gour Gobinda Goswami, who supervises all the co-curricular and extra-curricular activities under the Pro Vice-Chancellor's direct supervision. Each club is led by a Faculty Adviser having adequate skill and passion for this job. The executive bodies and other members from enthusiastic students run the clubs as per the Faculty Adviser's direction on a fixed-term basis. The office is also in charge of celebrating all the national days and supports higher authority in any student matter other than academics and discipline. Currently, we have twenty-one students' clubs, of which thirteen are co-curricular, which have a direct link with a particular discipline, and eight other extra-curricular clubs. Among all the clubs সাংস্কৃতিক সংগঠন is the largest.

Besides, we have some professional associations affiliated with the Academic Department. Students can choose at least one among the list and develop their leadership skills to apply in their practical life. We have Basket Ball Ground, Badminton Ground, Football and Cricket Field, Table Tennis, Billiard Room, Carom and Chess, Gymnasium, Recreation Area, Well-equipped Boys' and Girls’ lounge, Prayer Room, Huge Auditorium, Mini Auditorium, Open Air Theater, Plaza Area, Counselling Center, Medical Center, Career and Placement Center (CPC) for students for meeting different kind of their need relating to their happiness and wellbeing. Even though NSU is a non-residential campus, students remain engaged in various exciting and creative activities throughout the semester. Among all the programs, বসন্তউৎসব and পয়লাববশ খাল are noteworthy. In a word, this office deals with student life related to their happiness and wellbeing so that student life becomes memorable even after graduation. We urge all the NSU students to become members of at least one club and be engaged in different activities depending on their choice.
