OIC - COMSTECH & University of Lahore Scholarships for Full Degree Programs, Fellowships and Short-term Training For Republic of Bangladesh

OIC - COMTECH & University of Lahore (UoL) offers scholarships for Full Degree Programs, Fellowships and Short-term Training for scientists and students of Republic of Bangladesh. This is reflection of long lasting ties among 2 countries which are based on common faith, history and traditions. Both countries are part of OIC, SAARC, and D8, to boost their growing economies and S & T capacities. This COMSTECH & UoL program will serve as tool to deliver enhanced collaboration through student exchange, and linkages of HEIs.

The University of Lahore is the largest private sector university in Pakistan with more than 30,000 students. The QS World University Rankings: Sustainability 2025 has ranked The University of Lahore (UOL) among the top 500 universities globally. UoL has market-driven curriculum, excellent teaching and learning, robust applied and academic research, and efficient management systems.

These scholarships can be availed in wide range of fields of Allied Health Sciences, Engineering & Technology, Sciences, Social Sciences, Management Sciences, Arts & Architecture, Languages & Literature, Information Technology and Pharmacy
